

Plan View at front step of Altar

Scale: Not to Scale

Notes: Line up of procession members at the altar:

- The altar servers who carry the candles in the procession will line up with the candles on the altar and all other member will be on either side of them as diagramed above.
- Father Theo is to have an altar server on either side of him with a candle.
- Once father has bowed the servers will walk along the bottom step to the left hand side of the altar and then come up on the altar to place the cross and candles.
- Servers are **not** to bow with candles or cross in their hands.
